[Tronja](#) (by Landgraf I) is the great grand dam of Tylana. She produced no less than four approved stallion. They are [Silbergraf](#) (by Silverster), [Lawrence](#) (by Lantaan), [Castillion](#) (by Caretino) and [Caretissimo](#) (by Caretino). The KWPN-approved stallion Rubinstein also comes from this bloodline. The many predicates and talented show jumpers characterize the dam line of Tylana.

Sire Caretino is well known for its offspring after first having a very successful international career under [Ludger Beerbaum](#). The 2014 [WBFSH ranking](#) of jumping studs states that he is the world's 18th best sire. Some of his more remarkable offspring are Ballerina (Markus Merschformann), [Casall la Silla](#) (Rolf Göran Bengtsson) and quite funny: the dressage stallion [Cheenook](#).
